## SAYS WIFE TAPPED TILL IN HIS STORE.

Mrs. Marguerite Westlake Says She  
Was Only Paying a Debt.

A lively contest between Marguerite Westlake and her husband, Leonard J. Westlake, for alimony and divorce was heard in the Superior Court today.

The defendant is a druggist on San Pablo avenue near the intersection of Park avenue in Emeryville.

Mrs. Westlake left her husband about a year ago, going to reside with her brother in San Francisco. She charges as a ground of leaving him that her husband had repeatedly beaten her and that he had, in other ways, been guilty of cruelty to her.

Wife and husband appeared in court today, the former to have her husband compelled to pay her alimony and counsel fees pending the disposition of the case.

The husband introduced several affidavits, one of which tended to show that Mrs. Westlake was a resident of San Francisco and not of Alameda county; that she had been a resident for three months prior to the commencement of the suit.

There was another affidavit by the husband in effect that his wife had willfully abandoned her home in this city, packed in her trunk articles which did not belong to her but that he refused to allow her to leave the home until after she had surrendered her goods which she had hidden in the trunk. It also set forth that she had frequently helped herself to money from the till drawer of the drug store and that she had applied to her own use, pretending that she was repaying a loan which she had gotten from her brother Tom, a bartender for a man named Bloomer at the corner of Golden Gate avenue and Jones street, San Francisco. The affidavit goes on to say that there is no belief that such a loan was obtained from the said brother Tom or that she was using the money for any purpose save that of her own convenience. It was further set forth that the wife had told a person that if she kept on in that way she would soon have him in her possession.

Mrs. Westlake took the stand in support of her motion for alimony and was questioned by her attorney, M. C. Chapman, regarding the facts of her case. She admitted that she had a loan of money from her husband but said that it was done with the purpose of saving it and repaying money which he had borrowed from his brothers. The amount borrowed was over \$100.

## EIGHT MEN ARE DROPPED INTO DEEP A SHAFT.

\*\*\*\*\*

CONNELLSVILLE, Pa., Nov. 28.—At the Lambert mines, near Mason town, eight men after dropping 500 feet down a mine shaft, were all brought to the surface living, with but three dying and the others probably fatally hurt. Just as they got aboard the cage the cable parted and the cage dropped. The cage on the opposite side was immediately lowered with a rescue party, who found the men lying unconscious on the floor of the cage with crushed chests, broken arms and legs and in some cases the bones protruding out through the flesh. One man's skull was fractured.

Two of the injured miners were Americans and the other six Hungarians. The names of but three of them could be learned. They are Peter Babycok, Steve Lohitinski and Vincent Conaty.

## LAST CABINET SESSION BEFORE CONGRESS MEETS

WASHINGTON, Nov. 28.—The major portion of the last Cabinet meeting before the convening of Congress was devoted to going over some recess appointments which will be sent to Congress next week.

Considerable time was spent upon the question of re-appointing Governor Jenkins of Oklahoma. Charges were made against Governor Jenkins regarding his connection with a cattle company organized in the Territory and the President gave him a hearing last Monday. It was decided today not to re-appoint him. Practically all the members of the Cabinet will accompany the President to Philadelphia tomorrow to witness the Annapolis-Vest Point football game. They will go as guests of Secretary Root, to whose special train the President's car will be attached. It has been arranged that President Roosevelt will occupy the Senator's box during the first half and the Soldier's box during the last half. This arrangement was made on the theory that the West Pointers will win and that the President will be in the winner's box at the conclusion of the game.

Secretary Root at the meeting today presented the President and each of his associates with a cane made from the wood of an ancient Chinese gun carriage captured at the siege of Peking. The carriage was said to be over 500 years old.

## A WOMAN CAUSES PANIC IN TABERNACLE.

\*\*\*\*\*

WELLINGTON, N. Z., Nov. 28.—A woman threw a lighted match into a can of gasoline in the Tabernacle, where a thousand people were attending a religious revival, at 11 o'clock last night, and the flames that shot up into the auditorium started a stampede. Several persons were bruised, but none were hurt badly. The pastor helped fight the fire, which was extinguished with small loss.

## GENERAL WOOD ON THE WAY TO WASHINGTON.

\*\*\*\*\*

NEW YORK, Nov. 28.—Among the passengers who arrived yesterday from Havana were General Leonard Wood, Governor of Cuba; Mrs. Wood, M. J. Dady, the contractor, Sir William Hornel, Lieutenant W. B. Arden and Lieutenant Frank McCoy.

General Wood said that he would proceed directly to Washington to report to President Roosevelt, and expected to return to Cuba on December 7. He said he had expressed no opinion on the question of the annexation of Cuba, and to do so would be impolitic. Matters were quiet in Cuba and preparations were being made for the election in February.

"Of course," said General Wood, "there are a number of people in Cuba who desire annexation, but I doubt the possibility of securing a canvass of the question. The people of Cuba wish to see their flag floating over their heads, even if it were only for a week."

Mr. Dady said that the Council of Havana by a unanimous vote gave him the contract for public improvements there and that the specifications are in preparation for presentation to General Wood, who will consider them on his return to Cuba.

## TWELVE PEOPLE ARE INJURED IN A COLLISION.

\*\*\*\*\*

SYRACUSE, N. Y., Nov. 28.—Twelve persons were injured in a rear-end collision between a special and a freight train on the Delaware, Lackawanna & Western near Tully station early today. The special was bringing home from Cortland a large party of Syracuse Knights of Columbus, who had been attending lodge festivities there. The engineer thought that the freight had taken the siding at Tully, when he suddenly saw the caboose directly ahead of him. The engineer and fireman jumped, sustaining slight injuries.

The caboose was smashed and the passenger cars slightly damaged. Those seriously injured are:

Henry Quigley, Syracuse; internally injured; leg bruised. Charles Sullivan, Syracuse; internally injured. William P. Sweeney, Oswego; possibly internally injured and scalp wounds.

## R.A. GREEN IS DEAD.

Sacramento Man  
Expires Today.

SACRAMENTO, Cal., Nov. 29.—R. A. Green, chief deputy in the office of H. C. Pell, collector of internal revenue for this district, died suddenly this morning about 6 o'clock at his residence, N street, between Eighth and Ninth.

Mr. Green was seemingly as well as usual yesterday and enjoyed Thanksgiving with his family, but for a long time past his health has not been of the best and he was constantly apprehensive of heart disease. Death was undoubtedly due to natural causes. He leaves a wife and two children.

The deceased was a brother of Milton J. Green, cashier of the Bank of Redout, Smith & Company of Croville.

## BANCROFT ESTATE.

NEW YORK, Nov. 28.—According to the Herald more than half a million dollars is to be distributed among the heirs of George Bancroft, historian, who died in Washington, D. C., on January 17, 1891. The New York Life Insurance & Trust Company, as trustees, brought suit for a construction of certain clauses of the will, and also for an accounting. A peculiar feature of his will executed in 1887 was the tying up of the bulk of his fortune until November 1, 1900. Charles C. Glover and James M. Johnson were appointed executors and trustees. The referee, Franklin B. Lord, has reported that at the end of three years the Company securities worth \$541,873, and this has since increased to \$614,426.

The referee said that \$38,000 is now sufficient to pay the income to the beneficiaries. This leaves almost \$550,000 for immediate distribution.

This will be as follows:

One-fourth of the estate to John C. Bancroft, one-fourth to Sarah Wood, one-fourth to Susan Carroll and one-twelfth each to Wilder Dwight Bancroft, Pauline Bancroft, Flah and Esther Bancroft, children of John C. Bancroft.

A., who were present at the match as delegates of the League. It is stated that these reports will characterize the bout as a brutal and a disgrace to Hartford, and degrading. It is also added that a legislative bill looking toward the abolition of such contests will be considered.

## COLOMBIA AND VENEZUELA OUT.

WASHINGTON, Nov. 28.—The State Department has received confirmation of the notification from the Colombian Government to Venezuela that it has terminated diplomatic relations. This came in the shape of a cablegram from Minister Hurt.

"COLON, Nov. 28.—Arrangements for surrender today of Colon by Liberal forces have been completed.

Another cablegram has been received at the State Department from Consul-General Cudger, dated at Panama, saying that the Liberals have been defeated and that the government forces are in possession of Colon.

M.—The captains of the warships with a large detachment of their respective forces, are now taking over the government of Colon from the Liberals and will hand over the same later in the day to General Alban, commander of the Colombian government forces. Everything is quiet and orderly here today.

Some insignificant fighting occurred at Bohio yesterday morning, where the Liberals made a last stand. After the conference here yesterday, General Alban returned to Panama under strong American escort. The town was quiet last night.

The report that the Colombian gunboat General Pinzon had landed troops at Kenney's Bluff has not yet been confirmed.

General Francisco Castro was wounded in the engagement at Buena Vista.

## ALL EXPECT TO BE WORTH MILLIONS.

Stockholders in the Gray and Wing  
Mine Getting a Pile of Gold.

The Gray and Wing gravel mine near Folsom, owned by John A. Britton, Folk Gray and other residents of Oakland, is developing even more extraordinary richness than was at first reported. Some of the dirt goes as high as \$150 to the pan.

With a force of thirty men about \$3,000 a day is being washed out, although the extracting work is confined to drifting thus far.

Last Monday a shipment of 170 ounces was received, and on Wednesday another shipment of 305 ounces came down. These two shipments aggregate \$3,290, as the gold is worth \$19.49 an ounce at the mint.

It is needless to say that the stock is soaring and is practically withdrawn from sale. The owners have no desire to sell, feeling confident that they have the richest gravel mine in the State. The richness of the strike may be estimated from the fact that within the past three weeks gold enough has been taken out to pay for the mine and pay all working expenses up to date. That this should be done with prospecting force, and the gravel washed is that only taken out of a prospecting drift, makes the strike all the more remarkable.

Polk Gray has at his cigar store on Washington street a vital containing \$94 which he personally washed from a single pan while visiting the mine. Since he came down the gravel has

grown much richer and pans have been washed that yielded nearly twice as much.

The drift from which this gold is taken runs directly across the channel. The pay directly already developed is over fifty feet wide and is confidently expected to reach a width of 200 feet. The company owns the channel for a length of three-quarters of a mile. Judging from what has already been encountered, the mine should yield millions. Enough has already been developed to show that there is several hundred thousand dollars in sight.

The strike in the Gray and Wing has demonstrated the fact that it is on the old channel which developed such extraordinary richness at San Francisco in the early fifties. About 1854 Prairie City, which is some five miles below the Gray and Wing, was one of the richest placer camps in California, many millions being taken out there. It is needless to say that wild excitement exists in Folsom and neighborhood over the developments, and prospectors are flocking in to get options on the property along the supposed line of the channel. Haywards and Union the owners of the celebrated Union Parazzo ranch, which lies a mile to the south of the Gray and Wing, and runs for a mile and a half along the gravel channel. They will immediately begin operations to develop the property. The ground between the Gray and Wing and the Parazzo ranch belongs to J. Broder, who lives at Fourteenth and Adeline streets in this city. He has sold a option of the mining privilege to Sacramento parties.

## FIFTEEN MINUTE SERVICE FOR SAN LEANDRO.

\*\*\*\*\*

BLAMHURST, Nov. 28.—It has just been learned from a reliable source that after December 1 the Oakland Transit Company will give a fifteen minute service between Oakland and San Leandro. The regular run has been a ten-minute headway between Oakland and High street and a half hour headway between Oakland and Hayward, which also brings San Leandro under the same schedule. The change will be welcomed by the residents between the two named places, and especially at this place, where nearly a quarter of the travel comes from. The removing of the bicycle hangers will also go into force on the 1st, and no more wheels will be taken on the Haywards cars. The practice, though a great help to the public, was equally as unpleasant for the carmen, as the taking on and off of the wheels greatly delayed the cars, which are compelled to travel fast to make schedule time.

The High street car branch will be dropped, as these cars will go through to San Leandro.

## WAS HIRED BY A LAWYER TO BRIBE A JURY.

CHICAGO, Nov. 28.—A sensational outline of the State's contention in the case wherein Alexander Sullivan, a lawyer, is charged with conspiring to keep out of the State James J. Lynch, a former bailiff, charged with jury bribing, was given to a jury in Judge Smith's court here today.

Attorneys Frederick S. John and Edward W. Maber and Geo. P. Murray, a railroad detective, were indicted on the conspiracy charge, but Sullivan secured a separate trial. Both the indictments were voted following the unexpected return of Lynch after nearly three years spent as a fugitive. The case outlined to the jury was founded chiefly on the story told by Lynch to the Grand Jury. Briefly, Assistant State's Attorney Barnes' statement was as follows:

"Lynch was a bailiff of good reputation, but in a suit for damages against the West Chicago Street Railway, Sullivan being counsel for the defendant, he was prevailed upon to bribe the jury to work against the interests of the plaintiff. The bribery was discovered, Lynch indicted, arrested and released on bonds. George P. Murray, Mr. Barnes declared, was sent by Sullivan to Lynch, and arranged a meeting between Lynch and Sullivan. The latter insisted on Lynch taking flight. Lynch demurred and accused Sullivan of 'ruining his good name,' but was eventually persuaded, 'for the good of all concerned,' to fly. He went to New York and thence to Canada. Sullivan was to pay him \$75 per month, but Lynch found this was not enough and the sum was raised to \$150 a month. He was also given the sum of \$100 to reimburse him for his loss in jumping his bail bond. He spent most of his time in Canada. An effort was made to get him to fly to St. Petersburg and he refused. After two years' absence, filled with remorse and longing for his family, Lynch made up his mind to return to Chicago. His resolution was strengthened by the alleged fact that the monthly remittances had ceased."

The greatest care was exercised in selecting a jury to try the case. Several venues were exhausted.

## ARMED ROBBER HELD UP INMATES OF A SALOON.

\*\*\*\*\*

SACRAMENTO, Cal., Nov. 28.—Frank Soto, the armed robber who held up the inmates of the Lafayette saloon last Wednesday at the point of a pistol, and who was afterwards disarmed and arrested by Sergeant Robert Ash, was arraigned in the City Justice's Court. He made no defense and was held to answer in the Superior Court in the sum of \$5,000. He will enter a plea of guilty. Soto was gained in San Francisco. He says this is the first time he was ever in trouble. "The robber has a wife in Fresno."

## GENERAL TAFT HAS BEEN ORDERED HOME.

WASHINGTON, Nov. 28.—The Secretary of War today issued orders and sent them to Manila, again his health and strength. Governor Taft is to leave for the United States on the first transport available. At present there are no transports at Manila, but the Kilpatrick is due there from New York in a day or two and will be ready to sail for home in about ten days. The Kilpatrick belongs to the New York Line, but if Governor Taft desires to come by Honolulu and does not care to go to New York, the Kilpatrick will be ordered to San Francisco. If the Governor does not care to come on the Kilpatrick, the Grant will be ready to sail about the middle of December and the Meade will follow the Grant.

While in this country, Governor Taft will be called to Washington to give the committees of Congress information of the necessities of legislation for the islands.

## ENGINEER CAUSED THE AWFUL WRECK.

Misread His Orders and Tries to Put  
the Blame on the Conductor.

DETROIT, Mich., Nov. 28.—Conductor G. J. Martin, of Wabash train No. 4, which collided with train No. 13 near Seneca Wednesday night, causing the loss of about 80 lives, said today that the orders given him at Montpelier were to pass No. 13 at Seneca.

"My orders," said he, "which I took to Engineer Strong and read over to him and which agreed with his orders, read, 'No. 4, engine 89, will meet No. 13, engines 88 and 151, at Seneca, and No. 6, engine 623 at Sand Creek.'"

"After receiving these orders I remember asking the agent at Montpelier whether the new siding at Seneca would contain my train."

"I was told the rear of the chair car fixing up a passenger's ticket when I saw the station light of Seneca flash by, and I immediately felt the air brake applied. I felt no alarm, supposing the engineer was slowing down for the east switch, in order to see the numbers of 13's engines, which I supposed had cleared."

"Just then the brakeman, who had been on the lookout, came hurriedly to the chair car and pulled the cord twice."

"What is it tonight?"

"We are going through Seneca," he answered, and an instant later the crash came."

This bears out Superintendent Burns' statement that Engineer Strong of No. 4 either misunderstood or forgot his orders and ran by Seneca where he was ordered to pass No. 13.

When Conductor Martin's statement was repeated to Engineer Strong, the engineer said:

"I have not denied at any time that we received such an order. I only say that if we did get such an order I misread and misunderstood it, and that I should have been set right by the conductor. My fireman will tell you that he, too, understood that we were to meet both trains at Sand Creek instead of Seneca."

"If I made an error I was not alone to blame. The other three members of the crew must have understood as I did or they would have corrected me."

Engineer Strong attaches responsibility to the conductor and brakeman, for the simple fact, he says, that if he had understood he was to meet No. 2 at Seneca he would have blown one long and two short blasts of the whistle after whistling for the Seneca station when his train was a half mile from that point. Not finding done so, he claims that either the conductor or the brakeman, if they understood the meaning of the order to read Seneca should have whistled him down by pulling the cord twice.

## UNCLE SAM GETS CHANGE.

Mrs. Cohen Must Have Case Tried in Circuit Court.

The case of Emilie G. Cohen vs. the Atlantic Gulf & Pacific Dredging Company was today transferred to the United States Circuit Court of the Northern District of California by the granting of a motion for a change of venue by Judge Hall.

Previously to granting the motion, the United States District Attorney, represented by Attorney Wright, filed an amended complaint in which were named a couple of defendants, who, he claimed were not material to the case, and who, in fact, had never been in a direct manner connected with the acts referred to in the original petition, which was to join the Dredging Company in question. Colonel of Engineers and other persons from dredging any property belonging to Emilie G. Cohen, abutting on the proposed tidal canal. This petition was followed by a motion for a change of venue on the ground that as the question was one that affected citizens of various States, and that the Federal and not the Superior Court as a consequence was the place in which it should be heard.

Attorney Cohen, who represented the petitioner, his mother, held that unless there were several issues and affecting persons individually there could be no change of venue granted to the Superior Court. In this case, he said, there was only a single issue affecting all defendants. Judge Hall differed from Mr. Cohen on the subject.

The bond in the sum of \$500 on change of venue was approved, the guarantor being a Surety Company, and the change of venue was ordered.

## DENIES DAMAGES FOR A CHILD.

Southern Pacific Company Makes Many Defenses in a Suit.

The Southern Pacific Railroad Company has filed an answer to the complaint of Fred Manning, a minor, who sues through his guardian, J. J. Manning, for \$2,000 for damages sustained by being crushed between the wheels of a train of the company at First and Market streets.

It denies all the allegations and the first of the denials is that First and Market streets, at the intersection, is a public crossing and that there never was a train of the company at First and Market streets.

It also asserts that the property south of First street was the property of the defendant. It also denies that the track on which the accident happened was laid on a public street. It also denies that any injury which the plaintiff in law sustained could be attributed to the company, and denies that he is entitled to any damages whatever.

The bride, another brother of the groom, was best man and Miss Edith Desmond was bridesmaid. The wedding march was sung by St. Patrick's choir. Miss Short presided at the altar. After the ceremony a reception dinner was given at a downtown restaurant.

**MOTHER WOULD NOT FILE A COMPLAINT**

C. W. McNeil, the young man who has earned a reputation for running amuck while under the influence of liquor, was dismissed this morning in the Police Court on a charge of battery.

The defendant's mother and sister refused to swear to a complaint, although McNeil kept them terrified for nearly a whole night by chasing them with a knife and other weapons which happened to be available.

**HE IS NOT A VAGRANT.**

Con Fitzgerald, reputed by the police to be a member of the once powerful "Gang," successfully fought a charge of vagrancy in the Police Court. He was discharged by Judge Smith this morning. Fitzgerald was arrested three weeks ago.

## PRIEST TELLS OF HIS VISIT TO THE WRECK.

DETROIT, Mich., Nov. 28.—Father Francis Blacherini, pastor of the Italian Church of San Francisco, in this city, went to the scene of the wreck near Seneca today, in the hope of identifying some of his countrymen. From Giovanni Folonero, the young Italian who is dying in the farm house nearest the wreck, and from papers in his possession, Father Blacherini learned that the party of emigrants came from the northern part of Italy. Folonero comes from the province of Sondrio.

The party came on the steamer La Campana. Arriving in New York, the band went to some "Mulberry Street Bankers," as the small Italian bankers are called, and exchanged their money. Then they were given tickets to San Francisco. The priest is sure the emigrants were bound for San Francisco, as Folonero's pocket contained his ticket for that point.

"But how," asked the Father, "did this boy get out of Italy? How did he come to this country? He is under 18 years old. He had no passport. I think I know. These men were being brought over on contract. Folonero could not tell how he got on the train. When asked who got him to come over he looked suspicious and I could see he had been instructed to say nothing. He would only say that 'a man' had brought him across to work. He said he had been given the \$5 which he had with him by a 'Mulberry Street Banker' whom I know of. I have already written to this banker to find out how many came and who they were."

## WOMAN MUST APPEAR IN CASE.

Coroner Will Not End Inquest Until Widow of Dead Man Testifies.

ALAMEDA, Nov. 28.—The inquest on the body of Otto Hessman, who was postponed until yesterday, was again delayed on account of the absence of Mrs. Clara T. Hessman, the widow, and Frank Spink, a mail carrier, who said he saw Arthur Steinblitz jump on Hessman's stomach after a fight with him on the afternoon before the latter's death. Mrs. Dickson, sister of Mrs. Hessman, was present yesterday and said that Hessman had been a hard drinker for ten years. This was denied.

The inquest has been continued until next Tuesday at 10 o'clock, at which time it is expected that Mrs. Hessman will be able to be present and testify.

### SENSE ABOUT FOOD.

Facts About Food Worth Knowing.

It is a serious question sometimes to know just what to eat when a person's stomach is out of order and most foods cause griping and pains.

Grape-Nuts Food can be taken at any time with the certainty that it will digest. Actual experience of people is valuable to any one interested in foods.

Mrs. Ella Nelson, 1432 Grand Ave., Terre Haute, Ind., "Had suffered with indigestion for about four years, ever since an attack of typhoid fever, and at times could eat nothing but the very lightest food, and then suffer such agony with my stomach I would wish I never had to eat anything. I was urged to try Grape-Nuts Food and since using it I do not have to starve myself any more, but I can eat it at any time and feel nourished and satisfied, and dyspepsia is a thing of the past."

"When my stomach used to have that burning, hungry sensation my heart would flutter, just as sufferers with stomach trouble know about, and when I was so weak I could hardly walk I would get up and get some Grape-Nuts and cream and eat them and the trouble would stop right away, and I kept growing better and better."

"My husband also had an experience with Grape-Nuts Food. He was very weak and sickly in the spring. Could not attend to his work. He was put under the doctor's care but medicine did not seem to do him any good until he began to leave off ordinary food and use Grape-Nuts. It was positively surprising to see the change in him. He grew better right off, and naturally he has none but words of praise for Grape-Nuts."

"And boy thinks he cannot eat a meal without his Grape-Nuts, and he learns so fast at school that his teacher and other scholars comment on it. I am satisfied that it is because of the great nourishing elements in Grape-Nuts."

"It is a pity that people do not know what to feed their children. There are many mothers who feed their youngsters on almost any kind of food and when they become sick begin to pour the medicine down them. The real way is to stick to proper food and be healthy, and get along without the medicine and expense."

## SWITCHMEN SAY THEY ARE MAKING GAINS.

PITTSBURGH, Pa., Nov. 28.—The striking switchmen are still active and assert that they have made gains during the last twenty-four hours. The switchmen say Grand Master Mortimer of the Trainmen did not act properly in refusing to allow his men to endorse the strike. On the other hand the Trainmen accuse the Switchmen of acting without consulting the other Federations of Railway Employees. If this had been done, they say, the advance in wages could have been secured without trouble.

## BRUTAL ACT OF TWO THUGS IN CHICAGO.

CHICAGO, Nov. 28.—J. W. Rogge was attacked this morning by two highwaymen on Fifth avenue near Madison street, and while one of them choked him into helplessness the other went through his pockets, so- cially a small amount of money. The thugs then picked him up and threw him through a large plate glass restaurant window. The man was taken to the hospital with a crowd in pursuit, but finally dodged up an alley and escaped. Rogge's body had gone half way through the window, but beyond a few painful cuts and bruises, he was not seriously injured.

## CONSUMPTIVES CANNOT COME TO AMERICA.

NEW YORK, Nov. 28.—United States Judge Thomas, sitting in the Circuit Court at Brooklyn, today decided in favor of the ruling of the Treasury Department at Washington in the case of Thomas Boden of Philadelphia. The decision prohibits Boden, a supposed consumptive, from remaining in the country. Unless the case is appealed to the Circuit Court of Appeals, Boden will be deported one week from tomorrow, probably on the steamship Eurymia. Boden's wife and child have remained from choice at Ellis Island and will accompany Boden back to Ireland. Judge Thomas decides that, as a simple question of facts was before him in the premises he could not officially do otherwise than sustain the Treasury Department. No question of law, he observed, had been propounded in the writ of habeas corpus sworn out by Boden's lawyer. The case has to do with the right of consumptives to land here as immigrants.

### ALMOST A PANIC ON THE BAY CITY.

The ferry steamers had rough going during the early hours of the morning yesterday. Between 6 and 8 o'clock the southeaster blew its worst and all who came over on those vessels learned what a gale is. On the Bay City there was almost a panic, as the vessel was on her beam ends for a few seconds. It is hard to put a side-wheel in that position, but for a few seconds the port wheel of the ferryboat was out of water and the engine had to be stopped on account of the pressure. A great scare was the result and the passengers thought the vessel was going down. For a few minutes there was almost a panic, but gradually everybody came to their senses. Had they known more about vessels they would have felt as safe as if in a church. For the bottom may drop out of a ferryboat but the upper works will float.

helpless to the floor. I am 60 years old, commenced taking Dr. Pierce's Golden Medical Discovery and 100 Pills, and improved from the start. After taking twelve bottles of the 'Discovery' I was able to do light work, and have been improving ever since. I am now in good health for one of my age—60 years. I owe it all to Dr. Pierce's medicine."

**STRENGTH AND THE STOMACH.**

No man can be strong when the stomach is "weak." The body and the organ of it, depends upon the stomach for nutrition. This nutrition is supplied

before it can be assimilated. When the stomach and the other organs of digestion and nutrition are diseased, the food eaten is imperfectly digested, and there is a reduction of the nutrition necessary

body. This loss of nutrition soon shows itself in general feebleness or in the "weakness" of one or more of the organs most affected. Thus it is that indigestion often results in disease of organs remote from the stomach, the liver, heart, kidneys, etc., becoming "weak." So, also, when the diseased stomach is cured by "Modern Medical Discoveries" the diseases of other organs which were caused

"I feel that I would be doing an injustice to you if I did not send you a statement of my case," writes Mrs. David W. Guice, of Hamburg, Franklin Co., Miss. "I had liver complaint and

that I ate disagreed with me. I suffered all the time with swimming in my head; heart beat too fast; my feet and hands were

sheep well at all; was able to go about very little. I commenced to use Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets,' in May, 1897, and by December I could begin to get about very well. Have been doing my work ever since, except washing. Feel better than I have for several years. I would recommend Dr. Pierce's medicines to all who are troubled as I was. I am now sixty-

kindly for the happy relief and cure."

GOOD ADVICE.

If you feel weak and run down; if your stomach is disordered or dis-

"trouble," or kidney "trouble" if your blood is "thin" and sluggish, begin the use of Dr. Pierce's Golden Medical Discovery and you will begin to renew your youth and strength.

Sick people are invited to consult Dr. Pierce, by letter, *free*. All correspondence, in bold, plain, printed characters, and

Some dealers, tempted by the little more profit paid by less meritorious medicines, will attempt to sell a substitute for "Golden Medical Discovery" claim-

claim makes substitution suspicious. A medicine as good as the "Discovery" would sell on its own merits and be asked for by the customer, not pushed off on him.

One of the best medical books ever published, the most modern and comprehensive, is given away to those who write for it. Dr. Pierce's Common Sense Medical Adviser, containing more than a thousand large pages and over 700 illus-

## WOMAN TOOK THE CIGAR MEN WIN CHECK IN SLOT CASES.

Police Are Hunting For Mrs. Hickey in the College Town. Eighteen Trials Result in Seventeen Acquittals and One Conviction.

BERKELEY, Nov. 29.—For the past few weeks Secret Service men have been industriously engaged in this city in a search for Mrs. Ellen Hickey, whom it is said, is very much wanted on two charges of an exceedingly serious nature.

What the Government detectives are most interested in is the alleged fact that Mrs. Hickey retained a letter containing a \$100 check that did not belong to her.

The check, which was intended for another Mrs. Hickey, was cashed by the woman who is wanted by the police, at the California Canning Company at Emeryville.

It seems that Mrs. Hickey formerly lived in Los Angeles and upon moving to this city directed her mail to be forwarded here. Through an inadvertent mistake on the part of the Southern California postal authorities, Mrs. Hickey was forwarded a letter that did not belong to her.

But the temptation of the \$100 check was too much for Mrs. Hickey, so the officers say she fell. That was several weeks ago, and so quiet has the matter been kept that it has just leaked out.

This morning in the Police Court, when the case of L. Monnet, charged with gambling by means of a nickel-in-the-slot machine, was called, Prosecuting Attorney Abe Leach moved dismissal of the case. Judge Smith ordered the defendant discharged.

This is the last of eighteen cases which have been tried since last January. The prosecution secured no conviction. The case is now on appeal to the Superior Court. The other sixteen trials resulted in the acquittal of the defendants.

In January last a crusade was instituted against the nickel-in-the-slot machine. It was of such machines were running a banking game in violation of the State law.

Eighteen men were arrested for gambling. For a time all the machines in town disappeared and there were no nickel-in-the-slot machines running until after the first trial resulted in the acquittal of the defendant. Since then machines have been running without interruption.

THE OLD WAY.

Of Treating Stomach Trouble and Indigestion a Barbarous and Useless One.

We say the old way but really it is the common and usual one at the present time and many dyspeptics, and physicians as well, consider the first step in attempting to cure indigestion is to diet, either by selecting certain food and rejecting others or to greatly diminish the quantity of food usually taken.

In other words the starvation plan, is by many, supposed to be the first essential in the cure of weak digestion.

The almost certain failure of the starvation cure for stomach trouble has been proven time and again but still the usual advice, when dyspepsia makes its appearance, is a course of dieting.

All this is radically wrong. It is foolish and unscientific to recommend dieting or starvation to a person suffering from dyspepsia because indigestion itself starves every organ and every nerve and fibre in the body.

What is needed is abundant nutrition not less, and this means plenty of good, wholesome, well-cooked food and some natural digestive to assist the weak stomach to digest it.

It is exactly the purpose for which Stuart's Dyspepsia Tablets are adapted and this is the way they cure the worst cases of stomach trouble.

The patient needs plenty of wholesome food and Stuart's Dyspepsia Tablets digest it for him.

And this is in accordance with nature and common sense because in this way the whole system is nourished and the over-worked stomach rested, because the tablets will digest the food, whether the stomach works or not. One of Stuart's Dyspepsia Tablets will digest 3,000 grains of meat, eggs and similar food.

Any druggist will tell you that Stuart's Dyspepsia Tablets is a remedy of extraordinary value and probably is the most and safest remedy for stomach troubles.

No person suffering from poor digestion and lack of appetite can fail to be immediately and permanently benefited if they would make it practice to take one or two of Stuart's Dyspepsia Tablets after each meal.

## Only Safe Medicine for Babies.

The insides of babes-in-arms and little children are very delicate and tender. Mothers must not be reckless in the use of physics. There is only one gentle, perfect, safe medicine for babies:

"Cascarets are fine for babies with infants, as they keep both mother and child from becoming bilious. I use them daily in my practice."—Dr. A. E. Grinn, Southfield, Mich.

"I found Cascarets in the case of my baby who is not very strong, the very best medicine I ever used. They do just what you recommend."

"Mrs. B. M. Chapman, Stephens Mills, N.Y."

"I have known a firm believer in the efficacy of Cascarets. Even my baby boy likes them."—Mrs. Lida Gorman, Jersey City.

"I think Cascarets splendid. They have benefited me greatly. My baby was afflicted with colic, and Cascarets afforded instant relief."—Mrs. Ella Gierler, Delta, Ohio.

Mamma takes a CASCARET, baby gets the benefit. Isn't that good sense? The sweet, palatable Candy Cathartic Cascaret, eaten by the nursing mother, not only regulates her system and increases her flow of milk, but makes her milk mildly purgative. Baby gets the effect diluted and as part of its regular, natural food—no violence—no danger—perfectly natural results. No more sour curds in baby's stomach, no more wind, colic, restless nights.
